A REDKEN SCHOOL

What are you looking for?

If you are interested in becoming a professional Cosmetologist, Aesthetician, Nail Technician, Hair Designer or Provisional Instructor INTERNATIONAL ACADEMY OF STYLE offers an exceptional, cutting edge curriculum. Your training is designed to provide the skills necessary to be competitive in the beauty industry work force.

Did you know...

By the end of this year, Cosmetology schools will provide just 70,000 graduates annually while the industry needs at least 150,000 a year to fill open positions. Furthermore, most students entering the salon business upon graduation will assist at minimum wages for at least a year simply because they are not adequately trained. (According to the American Salon Magazine, "Coming Up Short")

This statistic is a reflection upon poorly designed, out-dated curriculums, not representative of the curriculum at INTERNATIONAL ACADEMY OF STYLE. Students studying under our cutting edge curriculum are challenging this national statistic.

Each transfer hour will give the student a \$5.00 credit. Example: 100 transfer hours = \$500.00 (100 X \$5.00 = \$500.00)

Transfer hours reduce the total owed to the school in the student account. When transfer hours are received by International Academy of Style from the Nevada State Board of Cosmetology a new contract page will be generated documenting the transfer (credit) hours, a new contract end date, and credit towards the cost of tuition.

No more than 50% of the program hours will be accepted as transfer hours:

- Cosmetology no more than 800 hours will be accepted
- Hair design no more than 500 hours will be accepted
- Aesthetician no more than 300 hours will be accepted
- Nail Technology no more than 300 hours will be accepted
- Provisional Instructor no more than 250 hours will be accepted

International Academy of Style requires that any transfer student that will sit for the State Board Exam under International Academy of Style will have to meet the academic and practical standards of International Academy of Style. It is required that a minimum of 50% of the program hours are attended and clocked at International Academy of Style.

Credit applies if the student has scored 75% or greater on the evaluation exam and the official hours from the State of Nevada have been received.

The maximum 150% timeframe for Federal Financial aid will apply.

Transfer out of International Academy of Style:

If hours are paid for they are released to the State of Nevada and are subject to state and institutional transfer hour policies.

Re-Entry Students:

A student that has withdrawn and would like to return to school will return with the same satisfactory progress scores that are on record at the institution at the time of the last withdrawal.

To withdraw and return to school does not reset satisfactory academic progress back to 100%.

If a student withdraws and returns within 30 days the original contract refund calculation will not be added to an additional contract. The balance owed on the original contract at the time of the withdrawal before the refund calculation plus a 100.00 application fee and 150.00 withdrawal fee will be added to the students balance owing to finish the program. If the student withdraws and returns after 30 days have passed from the last date of attendance of the original contract, the refund calculation balance from the original contract will be added to the new contract. The new contract will credit the student five dollars for every hour credited to the new contract.

A student re-entering after 30 days is subject to an exam to determine the knowledge and skills the student has retained from the previous enrollment this will help in placing the student in the correct class for re-entry.

If the student returns after 1 year from the withdrawal date: No more than 50% of the program hours will be accepted :

- Cosmetology no more than 800 hours will be accepted
- Hair design no more than 500 hours will be accepted
- Aesthetician no more than 300 hours will be accepted
- Nail Technology no more than 300 hours will be accepted
- Provisional Instructor no more than 250 hours will be accepted

If the student returns after the 1 year deadline and is applying for financial aid the 150% maximum time frame will apply.

ACTION FOR MISSLEADING INFORMATION AND OR DOCUMENTATION:

If it is found that any of the information and/or documentation is invalid the student will be notified in writing and will have 48 hours to make the correction or will be withdrawn.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP) POLICY AND PROCEDURE

To be eligible for FSA funds, a student must make satisfactory academic progress (SAP). This is the International Academy of Style policy for monitoring that progress. The student is given the SAP policy at pre-enrollment. This policy applies to all students of all Programs. The SAP policy is as strict as that for students who are not receiving FSA funds, and is applied consistently to all students enrolled in a specific educational program and scheduled for a particular category of attendance (full-time/part-time). SAP evaluation dates are calculated by scheduled contracted hours not attended hours. If the student is put on SAP warning for academic/grade SAP the financial aid office will be notified, the financial aid office calculates time and records academic % every payment period. Students meeting the minimum SAP for academics and attendance will be considered making SAP until the next scheduled evaluation. Students will be notified of any evaluation that impacts the students eligibility for financial aid, if applicable.

Academic/Grades and pace of completion

The following factors will be measured to determine academic progress:

Theory work: All tests, homework, workbooks

Practical work: All hands on work

Academic progress will be graded according to the following scale:

100-90% Excellent

89-80% Good

79-75% Satisfactory

74-0 % Unsatisfactory

The qualitative standard (grades) that a student must have at each cumulative evaluation is a minimum of 75%.

The following will be measured to determine attendance progress:

All students must maintain at minimum a 67% cumulative average to be considered satisfactory. Federal aid will not fund hours or weeks that exceed the maximum 150% time frame.

MAXIMUM TIME FRAME

Maximum timeframe— measured in clock hours, a period no longer than 150% of the published length of the program as measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time (a student cannot receive aid for hours beyond those in the program the maximum timeframe applies to the amount of calendar time the student takes to complete those hours). The student is evaluated and put on a plan to Graduate at the earliest date. The student will be responsible for all additional charges due to exceeding the maximum time frame.

Transfer hours from another institution that are excepted by the International Academy of Style and counted towards the students program at International Academy of Style will be counted as both attempted and completed hours for the purpose of determining when the maximum time frame has been exhausted.

Re-entry hours will be counted towards the students program at International Academy of Style will be counted as both attempted and completed hours for the purpose of determining when the maximum time frame has been exhausted.

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Program	Minimum timeframe	Maximum timeframe
Cosmetology	55 weeks	82 weeks
Hair Design	34 weeks	51 weeks
Aesthetician	20 weeks	30 weeks
Nail Technology	20 weeks	30 weeks
Provisional Instructor	13 weeks	52 weeks

Every student with the exception of provisional instructors is contracted for 30 hours per week to meet the quantitative standard (pace). A student can calculate the pace at which the student is progressing by dividing the total number of hours the student has successfully completed by the total number he has attempted. This pace is calculated at the beginning of every payment period if the student is not satisfactory the student is put on SAP warning and a new schedule is created and signed to bring the student into a satisfactory status.

Student Access-

SAP is posted through monthly GPA and time sheets so the student is always aware of their SAP progress.

Transfer hours that count toward the student's current program must count as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted.

GPA and attendance rate from a previous attended school does not effect the transfer student SAP at International Academy of Style.

SAP evaluation periods are based on scheduled contracted hours at International Academy of Style.

A student is to re-enter after a period of a Leave of absence or withdraws, will re-enter in the same progress status as when they left.

All periods of the student's enrollment count when assessing progress, even periods in which the student did not receive FSA funds.

If a student withdraws from one program and enrolls in a program that will receive no transfer hours SAP from the prior program will not continue into the new enrollment.

If a satisfactory progress check shows that a student does not meet the required minimum standards the student becomes ineligible for Title IV, HEA program funds, if applicable, unless the student is placed on SAP warning, as explained below, or has prevailed upon appeal of the determination that has resulted in the status of probation. Students will be talked to and sign a warning notice that effects the eligibility for FSA funds. The student will be considered making SAP if the student is following the warning plan that the student and instructor have agreed upon for the student to return to the required minimum SAP.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

APPEAL PROCEDURE

International Academy of Style practices financial aid probation in their SAP policy. When a student loses Title IV, HEA (federal financial aid) A student may be allowed the Status of probation who are not meeting SAP. If the institution evaluates the student progress and determines that the student did not make SAP during a warning or previous evaluation period.

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

A written appeal to the Director of Education (DOE) along with any supporting documentation must be received within 10 calendar days from the probation notice student signature date. The student will then proceed in the program with no negative consequences from the appeal. Students who have prevailed upon appeal of the determination that has resulted in the status of probation are eligible for FSA funds.

International Academy of Style and the student determine that SAP can be met by the end of the subsequent evaluation period. International Academy of Style and the student should develop a plan that ensures that the student is able to meet the school's satisfactory progress standards by the end of the subsequent evaluation period, though an academic plan could instead take the student to successful program completion. Students must also appeal to change their plan. They must explain what has happened to make the change necessary and how they will be able to make academic progress. All appeal documents will be placed in the student file.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period. To withdraw and re-enroll does not reestablish FSA eligibility. If a student loses aid meeting SAP requirements is the only way to reestablish aid. If student does not meet the requirements of the plan that was developed for the student to meet the required SAP the student then is responsible for the tuition and fees owed to International Academy of Style for the hours clocked while the student is reestablishing eligibility.

COMPLETED PROGRAM NO CERTIFICATE

A student that completes the academic requirements for a program but does not have the certificate is not eligible for further additional FSA funds for that program. If a student completes all clock hours for program but has not graduated is not eligible for additional FSA funds.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If a student has taken a program at International Academy of Style or another Institution and has withdrawn or needs to retake the program and the state no longer has record of the hours a student may retake the program. If a student has hours International Academy of Style will not accept more than half of the program hours and the student will have to retake those hours. Course incompletes, repetitions and non-credit courses have no effect upon International Academy of Style SAP standards if International Academy of Style does not offer the course in question. The maximum time frame of 150% for federal financial aid will apply. If a student re-enters a program they will re-enter with the same SAP status as when they left. If a student enrolls in an entirely different program there SAP status from the previous program does not transfer.

LEAVE OF ABSENCE

If a leave of absence is approved the approved LOA will extend the contract period and the maximum time by the same number of days taken in the LOA. If a student is on an LOA the student will return with the SAP they had at the start date of the LOA. The student has one week per LOA week to make up academic work.

Scheduled Evaluations

All students evaluations are based on the scheduled contracted hours and not actual hours. Evaluations are scheduled for the mid hour of the first academic year and the first hour and mid hour of the second academic year.

As scheduled in the chart below. Evaluations will be completed within 7 school days following the established evaluation points. Due to the variations of hours that can be attended in a day the mid scheduled hour may fall within a day, therefore the scheduled evaluation may vary by 12 hours.

TRANSFER STUDENTS POLICY AND PROCEDURE

Transfer to International Academy of Style:

Transfer students take an evaluation exam and must pass with a minimum of 75% score for the transfer hours to be accepted. Transfer hours do not reduce the contract total as the State of Nevada official transfer hours must be received. The state will release the hours after the student has attended orientation. Each transfer hour will give the student a \$5.00 credit. Example: 100 transfer hours = \$500.00 (100 X \$5.00 = \$500.00)

Transfer hours reduce the total owed to the school in the student account. No more than 50% of the program hours will be accepted as transfer hours:

- Cosmetology no more than 800 hours will be accepted
- Hair design no more than 500 hours will be accepted
- Aesthetician no more than 300 hours will be accepted
- Nail Technology no more than 300 hours will be accepted

Credit applies if the student has scored 75% or greater on the evaluation exam and the official hours from the State of Nevada have been received.

LEAVE OF ABSENCE (LOA)/REQUEST FOR TIME OFF Policy and Procedure

A LEAVE OF ABSENCE FORM MUST BE SUBMITTED IN ADVANCE IN WRITING TO INCLUDE THE REASON FOR THE STUDENTS REQUEST AND THE STUDENT SIGNATURE, AND APPROVED FOR ANY ABSENCE THAT IS 5-180 DAYS; IF AN LOA EXTENDS MORE THAN 180 DAYS YOU WILL BE WITHDRAWN. THE REASON FOR THE LOA MUST HAVE A REASONABLE EXPECTATION THAT THE STUDENT WILL RETURN FROM THE LOA. AN LOA TOGETHER WITH ANY ADDITIONAL LOAS MUST NOT EXCEED A TOTAL OF 180 DAYS IN ANY 12 MONTH PERIOD.

ANY APPROVED LEAVE OF ABSENCE (LOA) WILL NOT RESULT IN ANY DISCIPLINARY ACTION OR ADDITIONAL INSTITUTIONAL CHARGES. STUDENTS WILL BE ALLOWED ONE APPROVED LOA FOR EACH ACADEMIC YEAR (900 HOURS) THAT THE STUDENT WILL BE ATTENDING. THE ACADEMIC YEAR IS BASED ON CONTRACTED TIME AND NOT ACTUAL TIME THAT IS CLOCKED. FOR EXAMPLE A STUDENT CAN HAVE 850 HOURS CLOCKED WHICH WOULD BE THE FIRST ACADEMIC YEAR BUT THE CONTRACTED HOURS ARE 950 WHICH IS THE SECOND ACADEMIC YEAR, THE STUDENTS LOA IS COUNTED IN THE SECOND ACADEMIC YEAR AS CONTRACTED TIME IS THE CALCULATED TIME USED. TOTAL OF ALL LOA TIME CAN NOT EXCEED 180 DAYS IN ANY 12 MONTH PERIOD. NO LOA WILL BE APPROVED BEFORE 12 WEEKS OF ATTENDENCE FROM THE ENROLLMENT START DATE. UNLESS THE STUDENT HAS A DOCTOR FAX TO THE SCHOOL THAT THE STUDENT HAS A CONTAGIOUS CONDITION AND CAN NOT BE IN THE PUBLIC OR THE STUDENT HAS BEEN IN AN ACCIDENT THAT PREVENTS THE STUDENT FROM ATTENDING SCHOOL.

A STUDENT MAY NOT BORROW AN LOA FROM A PAST OR FUTURE ACADEMIC YEAR.

INTERNATIONAL ACADEMY OF STYLE WILL ONLY APPROVE A MEDICAL LOA. A DOCTORS NOTE CAN BE FAXED TO THE SCHOOL WITH A REASON FOR THE NEEDED TIME OFF IS REQUIRED.

IF A STUDENT DOES NOT HAVE A MEDICAL REASON FOR THE TIME OFF THE STUDENT CAN FILL OUT A REQUEST FOR THE TIME OFF AND MAKE UP THE TIME, AS A REQUEST FOR TIME OFF DOES NOT EXTEND THE CONTRACT.

THE STUDENT CAN ALSO BANK TIME PRIOR TO THE REQUEST FOR TIME OFF.

A REQUEST FOR TIME OFF WILL NOT RESULT IN ANY NO CALL, NO SHOW ACTIONS, IF THE STUDENT REMAINS AT A SATISFACTORY LEVEL IN ATTENDENCE AND ACADEMICS THERE WILL BE NO DISCIPLINARY ACTIONS.

IF A STUDENT IS NOT ABLE TO FILL OUT THE LOA PAPERWORK AND GET IT APPROVED PRIOR TO THE START DATE OF THE LOA (IE: A CAR ACCIDENT), THE STUDENT WILL BE PLACED ON A REQUEST FOR TIME OFF BY THE SCHOOL TO PREVENT THE STUDENT FROM RECEIVING NO CALL NO SHOW DIAPLANARY ACTION. LOA PAPERWORK MUST BE COMPLETED AND APPROVED WHEN THE STUDENT IS ABLE TO RETURN TO SCHOOL OR

THE STUDENT MAY HAVE SOMEONE PICK UP THE FORM AND RETURN IT TO THE SCHOOL, INCLUDING ALL REQUIRED DOCUMENTS FOR THE LOA TO BE APPROVED. THE LOA START WILL BE THE START DATE OF THE REQUEST FOR TIME OFF OR THE FIRST DATE THE STUDENT WAS UNABLE TO ATTEND SCHOOL. IF THE STUDENT RETURNS AND LOA PAPERWORK IS NOT COMPLETED AND APPROVED THE TIME MISSED WILL REMAIN AS A REQUEST FOR TIME OFF AND WILL NOT EXTEND THE STUDENTS CONTRACT.

THE INSTITUTION MAY GRANT AN LOA TO A STUDENT WHO DID NOT PROVIDE THE REQUEST PRIOR TO THE LOA DUE TO UNFORSEEN CIRCUMSTANCES IF THE INSTITUTION DOCUMENTS THE REASON FOR ITS DECISION.

A STUDENT ON AN APPROVED LOA IS NOT CONSIDERED TO HAVE WITHDRAWN AND NO REFUND CALCULATION IS REQUIRED AT THIS TIME.

THE ENROLLMENT CONTRACT WILL BE EXTENDED BY THE SAME NUMBER OF DAYS TAKEN IN THE LOA UNLESS THE LOA TIME FRAME OVERLAPS A HOLIDAY THAT HAS ALREADY EXTENDED THE CONTRACT. IF THE LOA OVERLAPS AN OBSERVED HOLIDAY THE LOA NEW CONTRACT END DATE WILL NOT INCLUDE THE HOLIDAY TIME. CHANGES TO THE CONTRACT PERIOD OF THE ENROLLMENT AGREEMENT ARE SIGNED AND DATED BY BOTH PARTIES ON AN LOA ADDENDEM FORM.

IF A STUDENT DOES NOT RETURN FROM AN APPROVED LOA OR A REQUEST FOR TIME OFF (OR A STUDENT TAKES AN UNAPPROVED LOA) THE STUDENTS WITHDRAW DATE IS THE DATE THE STUDENT BEGAN THE LOA. THE WITHDRAW DATE FOR THE PURPOSE OF CALCULATING A REFUND IS ALWAYS THE STUDENTS LAST DAY OF ATTENDANCE.

INTERNATIONAL ACADEMY IS NO LONGER APPROVING LOAS FOR ANY STUDENTS ENROLLING AS OF JULY 2020. CONTRACTS WILL HAVE AN ADDITIONAL 2 WEEKS ADDED FOR COSMETOLOGY AND HAIR DESIGN AND 1 WEEK FOR AESTHTICIAN AND NAIL TECHNOLOGY TO ACCOMMODATE FOR ANY SICK TIME NEEDED DURING THE CONTRACTED TIME.
